Bunker Hill New Roof Credit

Bunker Hill offers a New Roof Credit to customers who install a new roof on their home. To qualify for the credit, we ask that you verify each of the following:

- 1 The new roof was professionally installed by a licensed roofing contractor.
- 2 The new roof involves a complete replacement of the existing shingles, the waterproof membrane, the underlayment layer, and appropriate flashing. Laying new shingles over the existing shingles does not qualify as a new roof.
- 3 At least 80% of the total surface area of the roof was replaced.
- 4 A waterproof membrane was installed that meets or exceeds building code requirements.
- 5 You have provided proof of the new roof installation in the form of a written copy of a contract, warranty, proof of payment or similar paperwork. The written documentation includes a description of the work, the cost and the year that the work was completed.
